REPORT OF BOARD OF TRUSTEES

In April 1965, the Trustees voted to join the new State-wide Library Development Program, and the Reed Free Library became a member of the Southwestern District Council which has headquarters in Keene, the state has been divided into four District Councils.

Their purpose is to achieve better library service through co-operation to develop plans for improved and expended service to each library, and to act as liaison and advisory groups assisting the State Library Commission. We elected Mrs. Anderson as delegate and Mrs. Tracy as alternate delegate to the Council.

Since last April, the Library has been open two additional hours a week Wednesday evenings from 6 to 8 p.m. Our cir-

ulation increased approximately ten percent this past year, and we feel this was due largely to the greater number of hours the Library is open for use by the community.

Mrs. Adamovich, consultant from the District Library Council in Keene, helped the librarian go through the reference and literary book sections and some 344 books were discarded as out of date and unnecessary. In the coming year we hope to go through the rest of the sections, discarding old volumes, making room for new books, and possibly holding an Old Book Sale next summer.

During National Library week, the Elementary school children participated in a Book Cover contest and prizes were awarded.

We received a grant of \$125.00 from the Statewide Library Development Program to be used for reference books and literary biographical dictionaries were purchased.

In November Mrs. Anderson left for Florida for the winter and we are fortunate to have the services of Mrs. Isabel Young as substitute librarian.

We are grateful to the Surry Boy Scouts of Troop 289 who did such a wonderful job on the library grounds last summer, they trimmed the shrubbery, mowed the grass and cleaned the yard in the rear of the Library. Their efforts are greatly appreciated.

In 1966 we hope to see a renewal of interest by the Friends of the Library. Anyone in the community at all interested in the Library is urged to join this group and there are many areas in which their help would be welcomed by the Trustees.

Respectfully,

GORDON A. CONBOY,

REPORT OF THE MONADNOCK REGION ASSOCIATION

TO THE TOWN OF SURRY

The Monadnock Region Association maintains a building of its own at the junction of Routes 202 and 101 at the Peterborough By-Pass. This combination showroom and information center is staffed by a full-time receptionist-office secretary and an executive secretary who divides his time between the office and the field.

Aside from fixed charges and overhead, the bulk of the money received is used for promotional work, and includes such items as 30,000 Regionaires, 30,000 summer folders, 25,000 fall foliage folders, and tour maps, 25,000 winter ski and sports brochures and maple syrup bulletins. Four season vacations are emphasized. Apple blossom, Laurel and Fall Foliage tours are publicized and posted in season.

The Association sponsors 4-H activities, high school bands, the N. H. Philharmonic Orchestra, agriculture, industry, and the hotel-tourist trade. In addition, as occasion arises the Asso-

ciation lends its weight for better roads, better and more picnic areas, better hunting and fishing with protection to land owners, better forestry practices and, in short, for all things that tend to make the Region more livable and attractive.

Our exhibition facilities are open and available to anyone in the Region. The local public, as well as the tourist public, are welcome at headquarters anytime.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark of flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush.
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 P.M.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.
